"Making a Difference by Working Together"

Carol Hedenberg (chedenberg@socal.rr.com); Donna Kubelka (bak4@socal.rr.com)

First thing we want to say is thank you so much. Due to your overwhelming generosity, \$1500.00 was donated at our February meeting for Sarah and her family.

She cried tears of gratitude when given the check. Thank you again ladies.

A quick mention about our Scholarship Social on April 13th. We can accommodate up to 165 people this year and would love a sell out. Please ask friends, family, and neighbors. You can even invite someone you don't like, you don't have to sit with them...

Approximately twenty of us attended the FV Chamber of Commerce Leadership Awards dinner. We were nominated in the non-profit category. Sadly Kiwanis won, but as they say it was an honor to be nominated. We are a great organization.

WHAT CAN I DO?

Fountain Valley Woman's Club is a volunteer organization. The New Oxford American Dictionary defines volunteer "as a person who freely offers to take part in an enterprise or undertake a task."

As the Nominating Committee met, discussed and made calls, something became clear to us. We have many members, new and experienced, who would like to be more involved in Woman's Club activities, but are not ready to consider a Board position. "What *else* could I do?" became a familiar refrain.

Our committee decided to brainstorm some of the tasks that need willing volunteer hands to accomplish. Whatever time you have to commit, whether it is just a few minutes a month, or a larger chunk of time, here are some suggestions for you to consider.

If there is a functioning committee you have a special interest in, contact the chair and ask how you can help

If you have a special interest you think would be appropriate for us to undertake, contact one of the 1st VP Deans. They can assist you in presenting your idea to the Board

Be responsible for one month's table decoration

Print and mail out Newsletters to those few members who do not have access to a computer

Take pictures at meetings and email them to the Newsletter editor

BE a Newsletter editor (we need one!)

Be a host to a guest who don't have one

Set up our power point presentations

Help proofread the Yearbook

Be on one of the committees for the Progressive Holiday Social or the Scholarship Social

Assist in any of the ongoing projects that are featured in the Newsletter

There are many more opportunities for participation than the few that are listed here. Many of our members wear multiple hats, and would be delighted to have a willing volunteer lighten their load.

Our Parliamentarian, Karen Fox reports:

At our March meeting, the Nominations Committee will present the proposed slate of officers for the coming club year. Nominations will also be taken from the floor. The vote for the new slate of officers will be taken at the April meeting. Thank you to the six ladies who stepped up and volunteered to be on the By-Laws committee. Report to follow at the March meeting.

2nd VP / MEMBERSHIP – Carol Proctor
(ccproctor@icloud.com)

I am happy to report the Club membership count still stands at 108, as of the February 2019 meeting. We had some of our members bring guests to the February meeting. Thank you members. It was so nice to meet the guests, and I hope we see them again.

Once again, I want to remind the membership that the annual \$40 dues need to be submitted by April 1, 2019. Bring your checkbooks (or cash) to the March meeting to pay the dues early and before the deadline. There will be an envelope in each folder at each table at that meeting. So far, I have received dues from 47 of our members...thank you, ladies!

All members who do so or submit their dues remittance by April 1st will have a raffle ticket deposited for a drawing. The winning ticket will be pulled at the April 9th meeting and the lucky winner will receive \$40--the cost of the annual member dues. You'll see me at the check-in table with 4th VP/Luncheon Chair Mary Brown to collect dues at the March 12 meeting.

5th VP / Ways & Means – Georgette Sleeth

We had so much fun at the last **Bunco fundraiser** that we put another one on the calendar! Please join us on **March 13th at 6:00PM at The Girl Cave** for an evening of laughter, prizes, drinks & snacks and two lively rounds of Bunco! No experience is necessary and a great time is guaranteed! **Tickets are \$25** and you can sign up at the March event or contact me at georgette@thegirlcave.com if you would like to attend.

Our **Spring Social/Scholarship Fundraiser** is coming up on **April 13th at 5:30PM at the FV Rec Center** and tickets are selling fast! Delicious food will be served, multiple baskets will be available for raffle, our famous “gift card trees” will be up for grabs and our cast will be keeping you entertained as you use your sleuthing skills to figure out **WHO KILLED THE MAYOR?** Even if you can’t join us, raffle tickets will be available at our March meeting.

Here are ways you can still help:

- 1. Donate a gift card .** Do you have a favorite restaurant, local shop or nearby movie theater you like to frequent? We are asking for a card or prize donation from each woman in the club so that we will have epic gift card trees and baskets for raffle prizes!
- 2. Donate prizes for the raffle baskets.** We are still in need of items such as wine, spa products, costume (or real!) jewelry, or anything else that you think would go great in a basket!
- 3. Donate silent auction items.** We need “big ticket” items for the silent auction, so if you have any connections with organizations that would help us out, now is the time to call in those favors! Think outside of the box! A ride along with the local police, dinner at the fire station, a multi-night stay at a hotel or cabin rental, a boat ride around the harbor, tickets to Segerstrom...you get the picture!
- 4. Underwrite the cost.** If you would like to make a flat donation to offset the cost of food, beverages, venue rental, decorations, etc, we will happily accept your sponsorship!
- 5. Volunteer.** There are still opportunities to help out with the production of this event. A volunteer sheet will again be circulated at the March meeting if you would like to sign up.
- 6. Advertise.** Tell everyone you know about this event! We have a larger venue this year so we can accommodate more attendees. Our goal is to SELL OUT but we need you to recruit attendees in order to do so.

Please bring your donations to the March meeting. If you won’t be able to attend the meeting, you can contact me at **714-206-0156** or georgette@thegirlcave.com to arrange to have me pick the items up.

March 31 Mile Square Park 5K + Million Stepper Update!

I hope you've successfully registered for this great annual walk for charity that got postponed to Sunday, March 31 due to heavy rains on February 2. There's still time to register!

The 5K page is at <http://fvcommunityfoundation.org/160/FV-Fit-Body-Boot-Camp-5K-Run>, then click on the online registration link to register or donate. You can also register in person at the Recreation Center at 16400 Brookhurst.

Reminder: All FVWC members who will be walking/jogging in the 5K are invited to meet around 7:30 AM on March 31, at the t-shirt table (where last-minute folks can register and pick up t-shirts). We'll get a group photo, and then head over to the starting line.

After the 5K and awards ceremony (we hope a few of our speedier members win!!), please make your way to the Mile Square Golf Course coffee shop (the entrance of the Mile Square banquet building complex is at Warner and Ward), and join us for breakfast! We'll gather at tables close to each other, 4

at a

table, and enjoy a nice post-walk breakfast together. We have 20 steppers who have been walking and logging their steps since January 6, in our "Million Project". Many newbies have joined us this year! Please support our group by cheering us on at the 5K and by occasionally walking with one of us.

Step

March - National Nutrition Month!

Health begins with how we serve our bodies at every meal. Good fuel in and the body works. Unhealthy foods in, and the body breaks down. It is no different than with our automobiles. Clean gasoline in and the car runs! Dirty gasoline in, and the car breaks down.

So, let's keep our delicious "fuel" as clean as possible. Desserts are a wonderful RARE treat, not meant as a nightly occurrence. Why? They don't help one single cell replicate properly. And, their sugars strip our arteries and capillaries of their elasticity. But, veggies and lean proteins? Both are clean fuel! Cells see their molecules as building blocks for replication and repair.

Simply put, sugar is the number one cause of inflammation in our capillaries and arteries, which leads to insulin resistance, then to high blood pressure and then to heart disease and/or diabetes. And, remember that refined flour is a sugar as well.

I promise you that, when it clicks for you that harmful foods are REALLY harmful and healthy foods are REALLY beneficial, you'll start to salivate over bright greens and lightly sauced foods and a wonderful array of proteins.

Here's one of my favorite combos: a baby spinach "Waldorf" salad, with lean chicken topped with bright orange sauteed carrots! This meal did have an almond-flour biscuit, which is a non-grain flour. Enjoy playing with your own bright green and bright orange/red combos of veggies, with your lean proteins!

Looking forward to another year of serving you on your health path!

- **Scholarships – Francine Serynek and Margaret Roche**

The FVWC will once again be offering scholarship opportunities to local students interested in furthering their educations. The applications will be delivered to local schools the week of March 4th and must be submitted to the committee by Friday, April 12, 2019. Please spread the word to students you may know who are attending Fountain Valley schools as well as those living in the city but attending other schools in the district or a private school. Those students may access the application forms through our website at fountainvalleywomansclub.org.

Thank you for your help with this wonderful opportunity for the students.

Readers – Leslie Montz & Edyth Muse

The Readers is a book club that is part of the Woman's Club. We meet on the first Monday of every month at 10:00 a.m. at the home of Leslie and Barbara Montz. Our book selections vary from month to month. Sometimes we select a genre and everyone reads a book of their choice in that genre. Other times we select a book for everyone to read. For our meeting in January, we decided for each of us to select a book from the list of banned books, and after reading it, talk about why we think it was banned.

The Readers support RIF (Reading is Fundamental). We each donate \$25.00 a year. RIF is a literacy organization that was formed in 1966 by a former teacher. For over 50 years, RIF has built a legacy grounded on the basis that all children have the right to learn to read. In partnership with volunteers, companies and community organizations, RIF has distributed over 450 million books and impacted the lives of more than 40 million children nationwide.

If you have any questions about the Readers or would like to join us, call Edythe Muse, 714-968-2524, or email me at edythe1114@gmail.com.

WHW is now celebrating 25 years of Empowering Employment Success

Since 1993 they have been empowering job seekers to get AND keep a good job. *"Because a good job changes everything. More than a paycheck, it's a solution."* Besides providing professional apparel to both women and men along with computer training and job placement assistance they also now provide employment readiness workshops and employment retention support. Job seekers come from a wide variety of backgrounds, including survivors of domestic violence who are trying to put their lives back together, veterans attempting to transition to civilian life, at-risk youth looking for jobs as a way off the streetsand your neighbor, brother, sister, or your child who is facing unemployment for the very first time.

Yes, our FVWC has been supporting WHW for over half of its existence, especially with your donations of professional clothing, shoes, purses/briefcases, and accessories – Thank You ! The WHW program has come a long way and it's exciting to see how they have expanded their facilities and services from just providing a professional outfit for women trying to become self-sufficient in the beginning. They are also accepting dressy and casual clothing whose sales offset the cost of running the program.

As always, you can bring your donations to the meeting or call my cell phone (949) 275-2084 to arrange delivery or pickup of your items. This year, locally, First Bank at 8251 Westminster Blvd. (between Beach & Newland) is also accepting WHW donations. If you do drop off items there, please give me a list so that your donation(s) can be included in our year-end reporting. Make sure you get a tax receipt either from me or at the bank. Later this year I will also update the list of values of donations for tax deduction purposes. Thank you for helping WHW !

- **Heifer International – Anna Katsuki**

Pull -Tabs and Heifer International

Just a reminder to collect those pull-tabs. Ask family and friends to help out. Remember, we are helping many families at the Ronald McDonald House during challenging times for their children. At each meeting look for the cardboard house to drop off your pull tabs. A big thank you to everyone who has donated and continue to donate!!

At our monthly meetings you will see a Heifer Can on your table. This international organization helps children and families all over the world, including the U.S.A. Our donation has touched the lives of hundreds. Thank you and let's continue because together we accomplish much.
